Dear Customer,

**Re.: RoHS compliance declaration**

With regard to the Directive (EC) No. 2011/65/EU (RoHS2) and No. 2015/863/EU (RoHS3) (RoHS – restriction of the use of certain hazardous substances in the electrical and electronic equipment),

METRA S.p.A.

informs that our products we supply to the market do not contain “substances” as per Enclosure II to the Directive No. 2011/65/EU (RoHS2) and No. 2015/863/EU (RoHS3) in concentration exceeding those specified in that enclosure.

This declaration is drawn up on the basis of the analyses carried out on the products and/or on declaration received from our suppliers.

For any further information you may require, please do not hesitate to contact our Quality Department ([a.gabrieletto@metraspa.it](mailto:a.gabrieletto@metraspa.it)).

Faithfully yours,

Quality Department
